

Do you want to be a cyber security expert who keeps ACTUAL attacks against the CIA (and other government agencies) from happening?

Apply to become a George Washington University CyberCorps Scholar!

Full scholarships. Stipends.

Living Expenses. Summer Internships.

100% Job Placement After Graduation at agencies such as:

CIA • DHS • DOD • DOJ • FAA • FBI • NIST • NSA • SANDIA • MIT LINCOLN LABS • MITRE • NASA

Scholarships are available for U.S. citizens with education or experience in computers and an interest in cyber security.

See www.seas.gwu.edu/cybercorps for details. The deadline is January 31, 2012 so apply now!
