

THE GEORGE WASHINGTON UNIVERSITY

SCHOOL OF ENGINEERING
AND APPLIED SCIENCE

ENGINEER ALUMNI ASSOCIATION
Board Member Application

The Engineer Alumni Association was founded to promote engineering education at the University, unite members in close fellowship to promote the general welfare of the School of Engineering and Applied Science, foster activities of the engineering organizations recognized by the University, and advance the profession of engineering. For more information visit our website www.seas.gwu.edu/ea.

Board Member

Candidates for the Engineer Alumni Association (EAA) Board are elected by the current Board of Directors at the annual EAA meeting in May, and serve for a period of three years. Candidates for Board Member can also be appointed by the Executive Committee during the fiscal year to fill any unexpired terms.

Board members should agree to fully participate in the events of the EAA throughout the year including active service on committees and attendance of functions of the EAA, the School of Engineering and Applied Science (SEAS) and the George Washington University (University).

Expectations:

- Attend bimonthly meetings of the EAA Board of Directors.
- Chair at least one EAA committee or serve on several committees of the EAA and participate as an active member of these committees.
- Promote the EAA, SEAS and the University to other alumni, friends, parents, and current and incoming students.
- Encourage other SEAS alumni to participate in the functions of the EAA, SEAS and the University.
