

ECE Technical Elective Form

Student Information			
Last Name		First Name	
GWID		GW Email	@gwmail.gwu.edu
SEAS Major		Degree	<input type="checkbox"/> B.A. <input type="checkbox"/> B.S.
Options (If applicable)			

- **For Electrical Engineering majors:** The two ECE-restricted electives must be selected from 3000 and higher level ECE courses with approval of the advisor. Three 3-credit technical elective courses must be chosen with the approval of the advisor from upper division undergraduate (2000 to 4000 level) or graduate courses in engineering, computer science, mathematics, physical sciences, or biological sciences. Exceptions from the rule must be approved by the advisor.
- **For Computer Engineering majors:** Three 3-credit technical elective courses must be chosen with the approval of the advisor from upper division undergraduate (2000 to 4000 level) or graduate courses in engineering, computer science, mathematics, physical sciences, or biological sciences. At least one of the technical electives must be 2000 or higher level math or science course. Exceptions from the rule must be approved by the advisor.
