Undergraduate Program of Electives in Humanities and Social Sciences

Students must fulfill the School of Engineering and Applied Science (SEAS) Humanities and Social Science requirements in accordance to their degree program and the University’s General Education curriculum. Each SEAS student must complete their Undergraduate Program of Electives in Humanities and Social Sciences (H/SS) based on their major. Courses must be selected from the approved lists on the back of this form. Note: Special rules pertain to foreign language courses.
